Our paths may never cross again.
Maybe my heart will never mend.
But I'm glad for all the good times.
You brought me so much sunshine, and love was the
best it's ever been.

I wouldn't have missed it for the world;
Wouldn't have missed lovin' you girl.
You made my whole life worth while, with your smile.
I wouldn't trade one memory;
cause you mean too much to me.
Even though I lost you girl...
I wouldn't have missed it for the world.

They say that all good things must end.
Love comes and goes just like the wind.
You've got your dreams to follow,
but if I had my chance to morrow...
You know I'd do it all again.

I wouldn't have missed it for the world...
(REPEAT CHORUS)
