He accepted me, and now I'm about to give him my  
acceptance speech  
I know I'm not perfect, god said I'm worthy  
He just won't stop blessing me  
Yeah, blessing me, blessing me  
Keep blessing me, blessing me  
He just won't stop blessing me

Even know I'm not what I should be  
People out there always judging me  
But he's the only one who lay down for me  
I know that you're the one that's no other way  
I'm looking to the hills for a brighter day  
Like a daddy that you are, coming from above  
You keep... me, yeah, yeah

He accepted me, and now I'm about to give him my  
acceptance speech  
I know I'm not perfect, god said I'm worthy  
He just won't stop blessing me  
Yeah, blessing me, blessing me  
Keep blessing me, blessing me  
He just won't stop blessing me

I need your love cause better... testing me  
Now he knows better than to mess with me  
And I'll never turn my back on you  
I know that you're the one that's no other way  
I'm looking to the hills for a brighter day  
And like a daddy that you are, coming from above

You keep... me, yeah, yeah

I can worry about the pain yes  
Cause god is...  
To me... blessing me  
He look it on my... on my knees  
... he's over me  
I know I don't deserve it  
But he keeps on blessing me

I'm feeling the blessings, the blessings, the blessings,  
ah  
I'm feeling the blessings, the blessings, the blessings,  
ah

He accepted me, and now I'm about to give him my  
acceptance speech  
I know I'm not perfect, god said I'm worthy  
He just won't stop blessing me  
Yeah, blessing me, blessing me  
Keep blessing me, blessing me  
He just won't stop blessing me

I'm feeling the blessings, the blessings, the blessings,  
ah  
I'm feeling the blessings, the blessings, the blessings,  
ah

He accepted me, and now I'm about to give him my  
acceptance speech  
I know I'm not perfect, god said I'm worthy  
He just won't stop blessing me  
Yeah, blessing me, blessing me  
Keep blessing me, blessing me  
He just won't stop blessing me.
