Gonna get myself togetha
And let the Lord make it betta
(I can hear his voice)
Callin' me

It's a wonder I'm not gone
'Cause I been out here too long
(I can hear his voice)
Callin' me, callin' me, callin' me

I was talkin' to my girlfriend about the Lord
I was tellin' her, as good as God's been
I, I can't afford not to praise his name

She said in life she wanted more
There was nothin' this world could offer her
She said she could hear his voice callin' her name
She said

Gonna get myself togetha
And let the Lord make it betta
(I can hear his voice)
Callin' me

It's a wonder I'm not gone
'Cause I been out here too long
(I can hear his voice)
Callin' me, callin' me, callin' me

Young people, what you waitin' for
Lord, He's standin' at your door
He's knockin', won't you let Him in?
He'll forgive your sins, now, that's a friend

Things don't always feel right
But weepin' may endure for a night
Are you wit it, I know you wit it
Then tell yourself, get it in your spirit

Gonna get myself togetha
And let the Lord make it betta
(I can hear his voice)

Callin' me

It's a wonder I'm not gone
'Cause I been out here too long
(I can hear his voice)
Callin' me, callin' me, callin' me

Gonna get myself togetha
And let the Lord make it betta
(I can hear his voice)
Callin' me

It's a wonder I'm not gone
'Cause I been out here too long
(I can hear his voice)
Callin' me, callin' me, callin' me

Lord, please make it better
I need to be better
Ooh

Gonna get myself togetha
And let the Lord make it betta
(I can hear his voice)
Callin' me

It's a wonder I'm not gone
'Cause I been out here too long
(I can hear his voice)
Callin' me, callin' me, callin' me
