I don't need a reason oh oh  
To love you  
But you give me so many I can't deny you

I don't wanna be the one ever hurt you  
'Cause you been so good  
I know o don't deserve you

I don't understand the reason you  
Love me  
But it feels so good I'm really  
Glad you chose me

I don't need a reason  
I don't need a reason

But I got a few  
Maybe one or two

[X2:]  
One... two, oh how I love you  
Three... four, it's you that I adore  
Five... six, so good I had to make a list  
Seven... eight, you're always on time  
And you're never late

There's so many reasons oh why I love you

And I would never ever place no one above you  
You're the only one I want to give my heart to  
And I know I don't have to worry 'cause I trust you

I'll never understand just  
Why you would want me  
I'm never worthy but I'm  
Grateful you can use me

I don't need a reason  
I don't need a reason

But I got a few

Maybe one or two

[X2:]

One... two, oh how I love you

Three... four, it's you that I adore

Five... six, so good I had to make a list

Seven... eight, you're always on time

And you're never late
