"I Need You Now"

Visit "[I Need You Now](#)" on MotoLyrics.com

Listen if ya'll don't mind. I just gotta say this.
When you've lost everything and you don't know which
way to turn, some people need

fame and fortune, but lemme tell u what i need.

Refrain:

(I need You) When everything is going wrong (I need
You)

When i'm down to my last dime (I need You)
When my back's against the wall (I need You)
Lord i need you(I need You)

Verse 1:

Sitting in front my tv
I was watching CNN,
Wit tears in my eyes
Lord knows i cried.
See i began to wonder
What in the world is going on.
One thing after another
I'm barely holdin' on!!!

Refrain:

(I need You) When everything is going wrong (I need
You)

When im down to my last dime (I need You)
When my back's against the wall (I need You)
Lord I need you (I need You)

When my friends done told a lie(I need You)
And i'm about to loose my mind (I need You)
Ya'll dont under stand (I need You)
Lord I need you (I need You)

Verse 2:

When i'm on top of the world (everything going just
fine)
I've found my life can change (with just a blink of an
eye) (heyyy)
From the mountain to the valley low such a long, long

fall.

So in the good times AND in the bad times u better
know who to call !

Refrain:

(I need You) when everything is going wrong (I need
You)

When im down to my last dime (I need You)
When my back's against the wall (I need You)
Lord I need you (I need You)

When my friends done told a lie(I need You)
And i'm about to loose my mind (I need You)
Ya'll dont under stand (I need You)
Lord I need you (I need You)

Verse 3:

If i'm in a fight or my darkest night
In the middle of mass confusion
In the worst state i've been,
No matter what i'm in,
Lord it's your name im callin!

Refrain:

(I need You) when everything is going wrong (I need
You)

When im down to my last dime (I need You)
When my back's against the wall (I need You)
Lord I need you (I need You)

When my friends done told a lie(I need You)
And i'm about to loose my mind (I need You)
Ya'll dont under stand (I need You)
Lord I need you (I need You)
