verse one

Lord, theres so many things I've got to tell you
But I'm afraid I don't know how, cause' there's a
possibility

That you'll look at me differently.

Lord, ever since that first moment I spoke your name
From then on I knew that by you being in my life
things were destined to change cause'

-chours-

Lord, so many people use your name in vain and
Lord, those who have faith in you sometimes go astray.
Lord, through all the ups and downs and joys and hurts
Lord, for better or worse I still will choose you first.

verse two

Many days I longed for you wanting you
Hoping for a chance to get to know you
Longing for your love, for your word,
For you blessings Yeah!

Many nights I 've cried from the things I do
Felt like I could die from the thought of losing you
I know that you're real
With no doubt and no fears and no questions

-chours-

Lord, so many people use your name in vain
Lord, those who have faith in you sometimes go astray.
Lord, through all the ps and downs and joys and hurts
Lord, for better or worse I still will choose you first.

-vamp-

At first you didn't mean that much to me oh!
Now I know you're all I need and lord,
My world looks so brand new to me
Now that I found Jesus,
Everyday I live for you
And everything that I do I do it for you
So what I say is how I feel
So believe is true you got to know it's true!

-chrous- and improvisation to the end.
