"My Body"

Who do you think I am? I don't play these games
Not goin' out like that, let me explain
Tryin' to save myself, don't pressure me
My spirit leads me to celibacy

I have to just be real and I know it's fair
I wanna please my God and I don't care
You can just leave now but if you stay
There's gonna be no other way

If this is love then you can take it
If this is not then don't ya fake it
My body is the Lord's temple
Don't mess with me, God's property

It ain't that bad if you try to see
His perfect will is all that I need
My body is the Lord's temple
Don't mess with me, God's property

What part of no don't you seem to understand?
I just can't move that fast, it's not His plan
I'm not ashamed to do what I know is right
His yoke is easy and His burden's light

Momma sat me down and she would say
Just trust in the Lord and Him only
No disrespect but I can't be with you
And try to serve the Lord in honesty too

My body is God's body, no it ain't your property
Jesus died on Calvary just to save someone like me
Who am I to betray His love? Tell ya what I'm gonna do
I'm gonna pray for you
