[Missy]

Ooooooh, I don't want I don't need I can't stand no
minute man

I don't want no minute man

Ooooooh, here's your chance be a man take my hand
understand

I don't want no minute man

Ohh, ohh, uhh, OOOH

Ohh, ohh..

Ohh, ohh, uhh, OOOH

Ohh, ohh..

[Missy]

Boy I'ma make you love me, make you want me

And I'ma give you some attention, tonight

Now follow my intuitions, what you're wishin'

See I'ma keep you up all night, for a long time

So start countin' away

[Chorus]

Break me off, show me what you got

Cause I don't want, no one minute man

Break me off, show me what you got

Cause I don't want, no one minute man

Break me off, show me what you got

Cause I don't want, no one minute man

Break me off, show me what you got

Cause I don't want, no..

[Missy]

Tonight I'ma give it to you, throw it to you

I want you to come prepared, ohhh yeah (oh yes)

Boy it's been a long time, a crazy long time

And I don't want no minute man, and that's real

Give it to me some more

[Chorus]

[Ludacris]

Yeah, uhh, uhh

It's time to set yo' clock back bout as long as you can
I stop daylight, it's Ludacris the maintenance man
Get your oil changed, I check fluids and transmission
You one minute FOOLS, you wonder why y'all missin
On the back of milk cartons and there's no reward
No regards, close but it's no cigar
A hard head make a soft ass, but a hard dick make the
sex last
I jump in pools and make a big splash
Water overflowin, so get your head right
It's all in yo' mind punk so keep your head tight
Enough with tips and advice and thangs
I'm big dog, havin women seein stripes and thangs
They go to sleep, start snorin, countin sheep and shit
They so wet, that they body start to leak and shit
Just cause I'm an ALL-nighter, shoot ALL fire
Ludacris, balance and rotate ALL tires

[Missy]

Ooooooh, I don't want I don't need, I can't stand no
minute man
I don't want no minute man
Ooooooh, here's your chance be a man take my hand
understand
I don't want no minute man

[Trina]

Uh, uh
You know lil' mama ain't with that quick shit
You better break me off stiff tongue or stiff dick
One minute, two minutes, three minutes
Hell naw, to please me you gotta sleep in it
I see you talk a good game and you play hard
But if I put this thing on ya, can you stay hard?
If not, you better keep your day job
Cause I'm looking for a man to make me say God
(GOD!)
I'm all class and you know this
I'll work your ass out like aerobics
So baby stay focused
Start off slow and then speed it up
Baby show me what you got, is you a G or what?
If you can't beat it up then eat it up
Put a cherry on top, whip cream it up, What?

[Missy](Trina)

Break me off, break-break me off
Break-break me off
Show me what you got (What?)
Break me off, show me what you got (What?)
Break me off, show me what you got

Break-break me off, break-break me off
