Verse 1

Everyone pretends their for you
Suddenly when you have issues
It seems hard to find a friend, yeah
And when you need someone to turn to
Only interested in their news
But I know someone you could count on again
I know a place where they all get slayed and burdens
are miles away, yeah
I know someone who can ease your mind someone
whose love is some kind

Chorus 1

Some kind of amazing
I can't explain it (oh yeah, yeah)
You know words like incredible, magical
Some kind of amazing
Our God is waiting
Love unconceivable, unbelievable
Some kind of love

Verse 2

Some people keep looking for it in the wrong places
Others try to put a finger on it
Some just replace it
But I know a love that's everlasting
One that is patient
One that doesn't care about your past
It's some for the taking
I know a place where tears are not cried
Joy stretches beyond for days
I know someone who put it all on the line
Someone whose love is some kind

Chorus 2

Some kind of amazing
I can't explain it (oh yeah yeah)
You know words like incredible, magical (oh)

Some kind of amazing (woo woo woo yeah)
Our God is waiting (waiting)
Love unconceivable, unbelievable (unbelievable)
Some kind of amazing (ahhh)
I can't explain it (can't explain it no, no)
You know words like incredible, magical
Some kind of love
Bridge
I know a love that is faithful and true
Love unconditional waiting for you
Love that's unfailing in all that you need
Words can't describe-It's Some Ohhhoh
Chorus 3
Some kind of amazing
I can't explain it
You know words like incredible, magical
Some kind of amazing (oooh yeah)
Our God is waiting (waiting)
Love unconceivable (I don't deserve it),
unbelievable
Some kind of amazing (ah yeah)
I can't explain it (noohohh)
You know words like incredible, magical (Oh! I
don't wanna live without Him)
Some kind of amazing (Every time I get the feeling)
Our God is waiting (I know I can't heal without your
love)
Love unconceivable, unbelievable
Some kind of love, love, love
Some kind of love, love, love
Some kind of love! oh yeah
Ooh! Some kind of amazing
