Chrous:
spiritual Love
That last for a lifetime
Feel like we been born again
Every moment we share
nothing can compare
to the happiness of spiritual love
Spiritual love

I never knew life could be so
so complete
with just one look in your eye, eyes
No one else has ever made me feel unique
with no strings or compromise
We're inseparable only to find
we're growing closer through time

(Chrous:)

(spiritual love) That has no boundries
(spiritual love) That knows no defeat
you are my inspiration
with you I am complete
