was all alone for such a long time
Wasted so much of my life with all the wrong guys
When He was right there all the while
Waiting ever so patiently for me to see
that He's the only one for me

Lord You are the one, who made the difference in my
life
Lord You brought the sunshine in
Lord you made me smile when my world was upside
down
Lord You turned my life into something I can be proud
of

I just wanna let you know
that God's been good to me (so very good to me)
Got to let my feelings show
so glad He loves me (ooh he loves me)
Waited all my life to feel this way
Never been so in love before, Jesus I adore you

Lord You are the one, who made the difference in my
life
Lord You brought the sunshine in
Lord you made me smile when my world was upside
down
Lord You turned my life into one that I can be proud of

You make my heart sing
And I love I love I love what you do to me ooh
To me to me to me to me, to me ooh

Lord You are the one, ooh the one
who made the difference in my life
Lord You brought the sunshine in
Lord you made me smile when my world was upside
down, yeah
Lord You turned my life into one that You could be
proud of

You are the one, who made the difference in my life
You brought the sunshine in

And You made me smile, ooh yes you did
Lord You made my life into one You could be proud of
