We had a chance in a million to one
Driving a Corvette down the road on the run
Ooh running in the night
Ooh running in the night
Me and my boyfriend

Why should we care for the powers that be
Always gonna do anything to be free
Ooh running in the night
Ooh running in the night
Me and my boyfriend

I could never be lonely
I'm together with you

Gonna runaway where he goes I will stay
'Cause he's my boyfriend
Day by day love is coming my way
'Cause he's my boyfriend
Ooh he's my boyfriend

Maybe it's fair to say I live like a fool
What else could I do when ever love makes the rules
Ooh running in the night
Ooh running in the night
Me and my boyfriend

Say why should we plan what tomorrow will bring
Why believing that it could change anything
Ooh running in the night
Ooh running in the night
Me and my boyfriend

I could never be lonely
I'm together with you

Gonna runaway where he goes I will stay
'Cause he's my boyfriend
Day by day love is coming my way
'Cause he's my boyfriend
Ooh he's my boyfriend
