Oh mama can't you tell
Oh mama can't you tell
If he wants my love will you ring my bell

Oh mama can't you tell
Oh mama can't you tell
If he wants my love will he ring my bell

I know it's written in my face
It's time for us to find a secret place
I've got things to tell
If you ring my bell

Forgett your sorrows and lonely nights
Let's try tomorrow we'll be allright
I hope you feel the same
I wanna call your name

Oh mama can't you tell
Oh mama can't you tell
If he wants my love will he ring my bell

Oh mama can't you tell
Oh mama can't you tell
If he wants my love will you ring my bell

It's your embrace I'm longing for
I kiss your face and close the door
I've got things to tell
If you ring my bell

Forgett your sorrows and lonely nights
Let's try tomorrow we'll be allright
I hope you feel the same
I wanna call your name

Oh mama can't you tell
Oh mama can't you tell
If he wants my love will he ring my bell

Oh mama can't you tell

Oh mama can't you tell
If he wants my love will you ring my bell

Oh mama can't you tell
Oh mama can't you tell
(If you want my love will you ring my bell)

Oh mama can't you tell
Oh mama can't you tell

Ring my bell

Oh mama can't you tell
Oh mama can't you tell
If he wants my love will you ring my bell

Oh mama can't you tell
Oh mama can't you tell
If he wants my love will he ring my bell

If you want my love, want my love
Ring my bell

If you want my love, want my love
Ring my bell

Ring my bell

Ring my bell

Ring my bell

Oh mama can't you tell
Oh mama can't you tell
If he wants my love will you ring my bell

Oh mama can't you tell
Oh mama can't you tell
If he wants my love will you ring my bell
