We were only dancing
In the heavens above
Dancing woh oh woh oh
We were only dancing
Stop in the name of love
I'm saving all my kisses for you

Rainy nights in September
You asked for a date and we had a ball
Snowy days of December
I'm witing by the phone wishing you would call

I don't care what all my friends are saying
I hold on to you
Guess I'm losing in this game we're playing
Please don't make me blue
I've got kisses for you

We were only dancing
In the heavens above
Dancing woh oh woh oh
We were only dancing
Stop in the name of love
I'm saving all my kisses for you

Rain or snow I remember
Every little thing that we used to do
Can't hold back I surrender
'Cause when I'm with you I'm feeling blue

I don't care what all my friends are saying
I'll ask for a dance
Guess I'm losing in this game we're playing
I'm taking the chance
Taking the chance

We were only dancing
In the heavens above
Dancing woh oh woh oh
We were only dancing
Stop in the name of love

I'm saving all my kisses for you
