Where, where is the meaning  
In words you cannot find  
Time, time is no reason  
For the feelin' you just can't hide

I gotta say  
Let it be, fly with me  
Take your body and set it free  
Voodoo heat in the beat

Together where eagles fly  
High into the open sky  
Wherever our love might go to be satisfied  
Wherever the wind may blow  
Together the fire will grow  
Whenever you feel the need  
I'll be there for you

Don't, don't walk away now  
You know love can lose its way  
I, I'll give you passion  
Light the fire to show the way

I gotta say  
Let it be, fly with me  
Take your body and set it free  
Voodoo heat in the beat

Together where eagles fly  
High into the open sky  
Wherever our love might go to be satisfied  
Wherever the wind may blow  
Together the fire will grow  
Whenever you feel the need  
I'll be there for you

Let it be, fly with me  
Take your body and set it free  
Voodoo heat in the beat

Let it be, fly with me

Take your body and set it free  
Voodoo heat in the beat

Together where eagles fly  
High into the open sky  
Wherever our love might go to be satisfied  
Wherever the wind may blow  
Together the fire will grow  
Whenever you feel the need  
Iâll be there for you

Iâll be there for you  
Iâll be there for you  
Iâll be there for you  
When you want me to...
