Oh, let me hear you hand clapping now

I like to be in America  
OK by me in America  
Everything's free in America for a small fee in America

Automobile in America  
Chromium steel in America  
Wire spoke wheel in America  
Very big deal in America

I like the city of San Juan  
I know a boat you can get on  
Everyone there will get big cheers  
Everyone there will have moved here

I'll drive my Buick though San Juan if there's a road you  
can drive on  
I'll give my cousins a free ride  
How do you fit all of them inside?

Immigrant goes to America  
Many hello's in America  
Nobody knows in America  
Puerto Rico's in America

I like the shores of America  
Many close in America  
Knobs on the doors in America  
Wall to wall floors in America

I like to go back to San Juan  
Why don't you shut up and get gone?  
I'll bring a tv to San Juan if there's a current to turn on

I like to be in America  
OK by me in America  
Everything free in America for a small fee in America

Oh, let me hear everybody now

Everybody now
