I'm going to Kansas City, Kansas City here I come.
I'm going to Kansas City, Kansas City here I come.
They got some crazy little women there
And I'm gonna get me one.

I'm gonna be standing on the corner, Twelfth Street
and Vine.
I'm gonna be standing on the corner, Twelfth Street
and Vine
With my Kansas City baby and my bottle
Of Kansas City wine.

Well, I might take a train, might take a plane,
But if I have to walk,
I'm gonna fly there just the same.
Yeaaaaah, Kansas City here I come.
They got some crazy little women there
And I'm gonna get me one.

Well, if I don't leave that woman I know I'm gonna die.
Got to find a brand new baby and heres the reason
why:
Ya, ya, ya-eeeeee eee, Kansas City here I come.
They got some crazy little women there
And I'm gonna get me one.
Ah - right.

Might take a train, might take a plane,
But if I have to walk,
I'm gonna fly there just the same.
Yeaaaaah, Kansas City here I come.
They got some crazy little women there
And I'm gonna get me one.

If I don't leave that woman, know I'm gonna die.
Got to find a brand new baby and that's the reason
why:
Ya, ya, ya-eeeeee eee, Kansas City here I come.
They got some crazy little women there
And I'm gonna get me one.
Yeah, yeah,
They got some crazy little women there

And I'm gonna get me one.

They got some crazy little women there
And I'm gonna get me one.
