Kansas City

Trini Lopez

(Lieber & Stoller)

- #23 in 1963-64.

(Oh, let's go to Kansas City, now.)

I'm going to Kansas City, Kansas City here I come.

I'm going to Kansas City, Kansas City here I come.

They got some crazy little women there

And I'm gonna get me one.

I'm gonna be standing on the corner, Twelfth Street  
and Vine.

I'm gonna be standing on the corner, Twelfth Street  
and Vine;

With my Kansas City baby and my bottle

Of Kansas City wine.

Well, I might take a train, might take a plane,

But if I have to walk,

I'm gonna fly there just the same.

Yeaaaah, Kansas City here I come.

They got some crazy little women there

And I'm gonna get me one.

Well, if I don't leave that woman I know I'm gonna die.

Got to find a brand new baby and here's the reason  
why:

Ya, ya, ya-eeeeee eee, Kansas City here I come.

They got some crazy little women there

And I'm gonna get me one.

Ah - right.

-----

Might take a train, might take a plane,

But if I have to walk,

I'm gonna fly there just the same.

Yeaaaaah, Kansas City here I come.

They got some crazy little women there

And I'm gonna get me one.

(One more time)

If I don't leave that woman, know I'm gonna die.

Got to find a brand new baby and that's the reason  
why:

Ya, ya ya-eeeeee eee, Kansas City here I come.

They got some crazy little women there

And I'm gonna get me one.

Yeah, yeah,

they got some crazy little women there

And I'm gonna get me one.

(One more time)

They got some crazy little women there

And I'm gonna get me one.
