Don't you look back on a big lost world
Crying out tomorrow
Don't you look down like the heroes say
Come tell me all about it
Take me to the streets where the bonfires burn
Take me in your arms and I'll fade away
When I hear you say what you got to say
Anywhere you go, you know I'll still be waiting
All the things she said, she said
Little darling close your eyes, there'll be no
compromising
Of all the things she said, she said
Throw me to the street where the heartbeats beating
"Beating all around me"
To the peaceful revolution
And the perfect wave, surround me
Tell me 'bout the ocean moving in slow motion
I see it glitter in the sun
Then it's freezing in the moonlight
Never look back, never look back, never look away
If freedom comes and goes, you know I'll still be
waiting

All the things she said, she said

You've fought the fight so long, no surrender to
temptation

Of all the things she said, she said

Stars will fall out for you

Luck will surrender

I'm calling out to you

Oh to be near you in the first morning light

I'd be with you, I dream about you

If I could leave here, I would leave here tonight

I'd be with you, I'd stay with you tonight

Tonight

Anywhere you go, you know I'll still be waiting

Of all the things she said, she said

When I look into your eyes, I see a new day rising

Oh all the things she said, she said

Through the eyes of love, and to never know what hate
is

Of all the things she said, she said

She said, this is our time, she said, this is our place

This is the space my heart wants to be

Little darling close your eyes, there'll be no
compromising

All the things she said, she said
