Thank you for the voice, the eyes, and the memory
shine

Thank you for the pictures of living in the beautiful
black and white

Some say we'll be together for a very long time

Book of brilliant things

Into the bright and shiny book

Book of brilliant things

Book of brilliant things

Some say we can be together for a very long time

Some say our hearts will beat like the wheels of a fast
train

all around the world

All around the world

All around the world

Some say our hearts beat like the wheels of a fast train

all around the world

All around, around, around, around, all around the
world

Our hearts beat like the wheels of a fast train, a very
long time

All around, all around the, all around the, all around
the world

Some say we'll be together

Some say for a very long time

Some of them will say a very long time

All around the world

All around the world, all around, around ...
