Low club light

Lips sealed tight

Expose fade away

Observer write it all down

For Me

No soundtrack

No fightback

Noise annoys

Dark Subject

All the underworld

Making plans for us

We are open wide

Need someone to stand up

Up up

Lovers

Shelter in their suitcase

Waiters

Shelter in their suitcase

Stangers

Shelter in their suitcase

Sailor talk to soldier

Sailor

Low club light

Lips sealed tight

Expose fade away

Observer write it all down

For me

I'll try

I'll spy

I would not buy

A car from you

They make uniforms

Something to call style

We need to stand up

We are open wide-ide-ide

Lovers

Shelter in their suitcase

Waiters

Shelter in their suitcase

Strangers

Shelter in their suitcase

Soldier talk to sailer

Soldier

All the underworld

Making plans for us

We are open wide

Need someone to stand up

Up up

Lovers

Shelter in their suitcase

Waiters

Shelter in their suitcase

Strangers

Shelter in their suitcase

Soldier talk to sailer

Soldier
