Pulsating through

Street Parade

Day arcade

No cloning you

Uniform

Won't conform

Hero who dies

Find a boy

Kill a toy

Get no reply

Changeling

Well changeling for you

They're coming out of you

Vision

Lost

Out of control

Lost

Down in the club

Beau bells can ring

Look good in blue

Help me to sing

Expose

Fade away

Tailor made

Do as I say

Changeling

Well changeling for you

They're coming out of you
