"Belle"

Never turn your back

Great times attack

Inexpensive thrills

And I said Belle of all the friends who care

Some should be seen

But never heard

Colours Fly and Catherine Wheels

Poor girls cry

In the Beauty of Both Worlds

Catch a boy Fell Falling

All in love Fell Falling

Catch a boy Fell Falling

Falling

Out of the Sky

Out of the Sky

"Belle"

When the pulses rise

Love will tranquilize

Just before it kills

And I said Belle

You turn them on

With your reflection

I know so well
