Hey Waiter

I'm first class

Hey Waiter

Where are we now?

Am I last

Am I last

Hey Waiter

Don't talk back

These tenants speak

A traveller's language

Caucasian talk

They're saying nothing

I see a land

As we crawl by night

I see a face

In the window in front

These stations are useful

These stations we love them

Hey Waiter

I'm first class

Hey Waiter

What state is this?

These reptiles scream

A violent party

All art and jazz

And League of Nations

I see a land

As we crawl by night

I see a face

In the window in front

The east is calling

I'm feeling nervous

I love the western

Style and change

These stations are useful

These stations we love them

These stations are useful

These stations we love them
