Won't you come see about me

I'll be alone, dancing --- you know it will be me

Tell me your troubles and doubts

Giving me everything inside and out

Love's strange --- so real in the dark

Think of the tender things

That we were working on

Slow change may pull us apart

When the light gets into your heart, Baby

Don't you forget about me

Don't, don't, don't, don't

Don't you forget about me

Will you stand above me

Look my way, never love me

Rain keeps falling

Rain keeps falling

Down, down, down

Will you recognize me

Call my name

Gonna walk on fire

Rain keeps falling

Rain keeps falling
Down, down, down
Don't you try and pretend
It's my beginning
We'll win in the end
I won't harm you
Or touch your defences
Vanity, insecurity
Don't you forget about me
I'll be alone, dancing --- you know it, Baby
Going to take you apart
I'll build us back together a heart, Baby
Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me
As you walk on by
Will you call my name
As you walk on by
Will you call my name
When you walk away
Oh, will you walk away
Will walk away
Oh, call my name
Will you call my name
