We go walking hand in hand

All across the land, it's East at Easter

People walking hand in hand

When ships are moving South, it will be East at Easter

We will rock you rock you little Child [2X]

All across the land it's East at Easter [2X]

Things will lighten up the sky, East at Easter

Fate will lighten up the sky, East at Easter

We'll go walking hand in hand

'Cause all across the land it will be East at Easter

Ahh, we will rock you rock you little Child

We will rock you rock you little Child

All across the land it's East at Easter

When ships go moving South, it will be East at Easter

They're gonna lighten up the sky

They're gonna lighten up the sky

Ohh, they're gonna lighten up the sky

East at Easter

And we'll go walking hand in hand

We'll go walking hand in hand, yes

We will rock you rock you little Child

We will rock you rock you rock you, rock you little Child

They're gonna lighten up the sky

When they lighten up the sky

We'll be East at Easter

We will rock you rock you rock you.
