Shine On, Shine the Light on me,
In all of my Life so that much more I see
In the Light of his Love
In the Light of reflection
Oh what a world
Or sometimes oh so it seems
Eyes in the skies
In that silver gift friendship
A Glittering Prize
Is it the prize of lost loves
They can remember quiet sides of midnight
They can remember the attraction of fame
Like a Glittering Prize
I saw up on a clear day
First taking hearts
Then our last breath away
Always came a time --- time was on our side
We were spending time --- we were staring out
Catch me in a dream --- Captured all in heart
We were spending time --- we were staring out
Could there ever be --- ever more than one

It's called an act of Love

Can you you never stop?

Shine On, Shine the Light on me,

In all of my Life

So much more I see

Like a Glittering Prize

I saw you up on a clear day

First taking h.

earth then our last breath away

Only on a clear day coming into our lives

See it in the eye --- satellite skies

We were spending time --- we were staring out

Take in, Take in more --- The Endless breath away

We were spending time --- we were staring out

Could there ever be --- ever more than one

It's called an act of Love

Can you you never stop?

Always on a clear day

Crashing into our lives

Is it the Price of Love

Like a Glittering Prize

Always on a clear day

Crashing into our lives

With your love

Only on a clear day
