I can feel the whole world spinning around I'm losing
ground

I feel it every day and I can feel you coming inside out

I'm losing touch with all reality

I remember the look in your eyes the way that they
pulled me inside

all I've got now in my defence is my innocence

I've been hypnotised

I can hear the church bells ringing out

reminds me of some bright and sunshine day when all
the pretty horses

you would ride would come right back to feel your
energy

I still remember the look in your eyes the way that they
filled me inside

all I've got now in my defence is my innocence

I've been hypnotised

You know it won't be easy it's never easy I've been
hypnotised

so tell me what you think do you think I'll sink number
one

scapegoat I'm the missing link all I know I've been
hypnotised

It won't be easy

If you've got a heart that burns inside let me get inside

let me tangle with the flames if you've got a light that
burns inside

the heat will rise and melt down once again

I still remember the look in your eyes the way that they
pulled me inside

all I've got now in my defence is my innocence

I've been hypnotised

all I've got now in my defence is my innocence

I've been hypnotised

I'm waiting for a sign help me realign maybe it's a sin I
know but

It's not a crime all I know I've been hypnotised

maybe there's a way I can find a way final hour
judgement day

all I know I've been hypnotised and then I realise
