New Gold Dream

She is the one in front of me, the siren and the ecstasy

New Gold Dream

Crashing beats and fantasy, setting sun in front of me

New Gold Dream

And the world goes hot

And the cities take

And the beat goes crashing

All along the way

She is your only friend until the bitter end

She is your only friend until the ocean breaks

And when you dream, dream in the dream with me

And when you dream, dream in the dream with me

81 -- 82 -- 83 -- 84

81 -- 82 -- 83 -- 84

New Gold Dream

Sun is set in front of me, worldwide on the widest
screen

New Gold Dream

Burning bridge and ecstasy, crashing beats and
fantasy

Dream in the dream with

And the world goes hot

And the cities take

And the beat goes crashing

All along the way

She is your only friend until the bitter end

She is your only friend until the ocean breaks

And when you dream, dream in the dream with me

And when you dream, dream in the dream with me

81 -- 82 -- 83 -- 84
