Real to real

Fact to fact

Nothing moving happening

Artifact

The waiting room

Waits

Limbo can burn

But the original sin

The incentive to learn

Fly over land

Where no hearts can beat

The metal rain pouring

Raining

Raining

Raining down on me

Hole in my head

Where the creature has crawled

And It's burning and turning

Out of control

Real to real

Fact to fact

Nothing moving happening

Artifact

I in this land

Sand in the eye

So here we go

The happy man dies

Brave little world

Well you cry once again

Remodel life

Remake and remodel

Remodel men

Protection Protection

The sound of machines

Image is burning

As they grind to a halt

Crying and crying

The sound of the shells

Tears turn to salt

Cry and I cry

Just one more illusion

I cry just for you

There's a hole in my head

Wher the voices came through

Fly over land

Waiting and waiting

Where no hears can beat

Machinery's burning

The metal rains pour

Pour

Raining

Raining down on me

Premonition
