Stay, I'm burning slow

With me in the rain, walking in the soft rain

Calling out my name

See me burning slow

Brilliant days, wake up on Brilliant days

Shadows of brilliant ways will change all the time

Memories, burning gold memories

Gold of day memories change me in these times

Somewhere there is someplace, that one million eyes  
can't see

And somewhere there is someone, who can see what I  
am see

Someone; Somewhere In Summertime

Someone; Somewhere In Summertime

Someone; Somewhere In Summertime

Moments burn, slow burning golden nights

Once more see city lights, holding candles to the flame

Brilliant days

Shadows of brilliant ways will change all the times
