Switch the light on

We can think it's dawn

Oh push along

Push along

Play a long song

I'm laughing at marine

Marine laughs back

Don't like those boys

Toy soldier boys

I'm lying in bed

You can play me fear

You can play me fear

Only rhythm I hear

You cut me up

With joys of life

I'm going somewhere

I'm going someplace

If caution is life

Then caution is sin

Contort contort contort

I'll win

These walls that close

Close in on me

Seductress shout

Seductress scream

Switch the light on

We can think it's dawn

Oh push along

Push along

Pray along

Play a long song
