[Verse 1]

I got an offering to refuse a five piece a dro for two's  
Feeling greeky across the color G's so I'm super cool  
Take a trip to the ATL, holla at my boy Terrel  
Though that's where he want me to meet him so far  
situation swell

Hit him up as soon as I get in town we go rendezvou  
Ten for the four is what I got instead of five for two  
Nervous is bout to back the po po's hotter than an iron  
skillet

Also in the back I got my gat in case I have to peel it  
Watchin' all my mirrors as I make a left on Old Nat  
Thankin to myself he said eleven where this fool at  
Bigger mounts of cash, duffle bags I get a tax invasion  
Last thang in my life that I don't need to add is  
incarceration

Hardest racing and I'm racing back and forth all in the  
van

Blue lights everywhere I'm high as hell and you  
couldn't understand

Palms are sweaty and my eyes are glued so far into my  
rearview

I see the dude who got the dope and I think he see me  
too

[Chorus: repeat 4X]

It's zero tolerance around here (fuck them laws)  
It's zero tolerance around here (man fuck them laws)

[Verse 2]

And it's all good no ones around he pulled up right  
beside me

We got a room at holiday inn so now he right behind  
me

Its been awhile since we kicked it so its gone be a  
minute

I got a bag full of dough and a four-five up in it  
Cause I don't know if this fool got something up his  
sleeve

He could be tryin to get me or just fuckin with me  
I got feelin operation is gonna go as planned

Without a site of disturbance to fuck up my demands  
Exchange was made and now I got the dope up in my  
hands  
10 pounds of dro for four thousand dollars stashed up  
in the van  
I tell em holla and I vamp out back to the M  
I put it in drive and then I glance back one time at him  
I left the atl at 9:30 no time to waste  
I got a box of cigarillos began to blaze  
I hit the interstate pop the hood and caught triple A  
Six hundred dollars five hundred miles until the bay  
So fuck them laws

[Chorus]
