Speaking of the devil, look who just walked in. He
knows just where to find me,

Here we go again.

I can tell he's gonna ask me to dance,
but that's not as far as he wants to go.

I need ten thousand angels to help me tell him no.

~CHORUS~

Lead me not, into temptation.

Heaven help me to be strong.

I can fight all that I'm feeling, but I can't do it alone.

Help me break this spell that I'm under,

Guide my feet and hold me tight.

I need ten thousand angels watching over me tonight.

It's time to face my weakness.

Look him in the eye.

Lord knows it won't be easy, but I've just got to try.

I can't let myself get lost in his arms.

That's how I got my heart broke before.

I need ten thousand angels to walk me out the door.

~CHORUS~

I need ten thousand angels, watching over me
tonight.

Ten thousand angels, watching over me tonight.

Ten thousand angels, watching over me tonight,
whatching over me tonight....
