Es ist Zeit für etwas Flottes Stimmung
Guts Laune
Die Damen in den Innenkreis
Die Herren in den Außenkreis
In Gegenrichtung, Marach, Fox
And the monkey wrapped his tail around the flag-pole
To show his arse-hole
To the one, two, three
Broken hearts for you and me
I guess we agree
The party's over now, it's plain to see
Broken hearts for you and me
Why should we stay?
You know it's better if we go our own ways
Broken hearts for you and me
We tried our best
Too little future, though, and too much past
Broken hearts for you and me
Don't you cry
Kiss me good-bye
Broken hearts for you and me
We made so many mistakes
We know it better now, but it's too late
Broken hearts for you and me
Why should we stay?
You know it's better if we go our own ways
Broken hearts for you and me
Don't you cry-ie-ie-ie
Just kiss me good-bye-ie-ie-ie
You know why-ie-ie-ie, there are
Broken hearts for you and me
Don't you cry-ie-ie-ie
Just kiss me good-bye-ie-ie-ie
You know why-ie-ie-ie
So don't you cry-ie-ie-ie
So don't you cry-ie-ie-ie
Bye, bye, bye, bye-ie-ie-ie
Bye, bye, bye, bye-ie-ie-ie
Don't cry-ie-ie-ie-ie-ie-ie...
You know why-ie-ie-ie
You know why-ie-ie-ie, there are
Broken hearts
