I just wanna fuck with you  
Do the thing that porn stars do  
Yeah, I just wanna fuck with you  
Do the thing that porn stars do

Let's get buck naked baby  
And make love like you never done before  
Let's do each other like dogs do each other  
You know how I like it baby  
Turn around and let me hit it from the back  
Let me slide it around  
I wanna see your pretty brown rump  
Just go up and down, ohhhhh

I just wanna fuck with you  
Do the thing that porn stars do  
I just wanna fuck with you  
Do the thing that porn stars do  
I just wanna fuck with you  
Do the thing that porn stars do

Just because it's two o'clock, don't mean that we gotta stop  
So baby let's continue, cause I'm so deep up in you  
Just because it's two o'clock, don't mean that we gotta stop  
So baby let's continue, cause I'm so deep up in you

Girl it's ok the way you ride this smooth  
They way you go front, back, side to side  
Doin freaky things as we bump and grind  
Throw your legs up in the air  
Do it to each other like we just don't care  
Come on baby, I'm hard as a rock  
Uh, ah, baby don't stop, no
