[Lady]

[Mo B. Dick]

Yeah.

It's a blast from the past from the old G's to the new
G's.

Tell ya later, check it out.

I bought a ticket, got an aisle seat

I was ready for that good ol' gangsta flick

And then all at once, an angel sit down on next to me

So I had to think of something quick

So what should I do

I said "excuse me, have I seen you somewhere before"

And then she smiled at me with big brown eyes

We talked and talked as the gangsta shot up the town

And sure enough she was in my arms

As they brought that curtain down

Chorus

Oh I met my baby at the (bang bang, gotcha) shoot'm
up movie

During the gun fight we fell in love

Oh I met my baby at the (bang bang, gotcha) shoot'm
up movie girl

I once knew I wouldn't see this movie through

I was so loss gazing into her eyes

Yeah, she shared my popcorn, we shared a kiss

Then she whispered "I love you" to my surprise

The part she row it as the gangsters made the get
away

And there we were falling in love, oh I'll never forget
that day

[Mo B. Dick - Chorus]

Chorus

Shoot'm up, shoot'm up movies girl

And while the good guys and the bad guys was
fighting it up we met arose

Had a good ol gangsta movie, shoot'm up

Shoot'm up, shoot'm up movies girl

Oh I met my baby at the (bang bang, gotcha) shoot'm
up, shoot'm up movies girl
