[Chorus]

If you wanna kick it with me tonight  
I'll take you home (I'll take you home)  
And baby when I turn off all the lights  
That thing is on

[Mo B. Dick]

Baby come next to me  
We got a mutual feeling and it's ecstasy  
Don't ask why  
cus I feel your vibe  
the way your lookin at me  
I know it's on your mind  
slow dance  
thinkin of romance  
when I look in your eye you put me in a trance  
if you please  
come home with me  
we can make this one night into eternity

[Chorus]

[Mo B. Dick]

Ooh-wee you're so sexy  
You can't imagine the things that you do to me  
come on girl  
I want you in my world  
You got me tweakin for you like I'm on that {?}  
You and I  
we can wine and dine  
the feelin tells me that I'm trickin for you but baby I  
don't mind  
so what you gonna do  
we wont become for you  
forget the rest of the world  
It's all about me and you

[Chorus]

I can take you for a trip around the world in one night  
baby
