Boku ga miru sora to
Kimi ga miru sora wo
Kasanete hitotsu nishite souzousuru

Ah Ikusen no hoshi wo dakishimete
Koe wo karashite kieta kimi wo sakenda

Hikari no naka namida negashite tane
Ai no tane wa narihibiitei takedoãf»ãf»ãf»

Itsumademo itsumademo, sekai ga kiesaru hi made

Boku ga mita sora to
Kimi ga mita sora wa into the eye
Risou no uragawa dattanda to shitta into the maze

Ah Kasukana toiki dekumotteku
Uso wa yogoreta shitsuraku no umi ni kesu

Hikari no naka mune ga harisake sou de
Kisetsu to toki ga sugiiku no wo matta

Dokomademo dokomademo, kizutsuite ochiteiku

Imagination Kakuu no ã€Œkimiã€Œ no naka de
Imagination ã€ŒBokuã€Œ wa sonzaishiteiru

Itsumademo itsumademo, sekai ga kiesaru hi made

The sky that emptiness and you
Whom I had seen saw
It knew that it was the other side of the ideal.
