Working overtime each day, at Sally's roadcaf $\tilde{A}$  © Got a smile and look real nice, noone tips a tired face Realize there's more to life, the wide world out there to see

So I packed my plastic bag, I'm off now breaking free

Nothing can stop me, here I go Bye bye, see you never Hello to whatever Nothing can stop me, cruising down the highway From old Sweden with love to Monaco Via Berlin to Venice, to London and Paris Nothing can stop me, nothing at all Just watch out, here I go Go, go

Never more a wimpy girl, bending on my knees I've just had it up to here, you're damn right I'm breaking free

Nothing can stop me, here I go Bye bye, see you never Hello to whatever Nothing can stop me, cruising down the highway From old Sweden with love to Monaco Via Berlin to Venice, to London and Paris Nothing can stop me, nothing at all Just watch out, here I go Go, go

(Go, go) Wooh! Hahahahaha

Nothing can stop me Nothing can stop me, here I go Bye bye, see you never Hello to whatever Nothing can stop me, cruising down the highway (Highway!) From old Sweden with love to Monaco Via Berlin to Venice, to London and Paris Nothing can stop me, nothing at all (Oh no) Just watch out, here I go Go, go
