Wasting away
with every useless word i say
i will take one last look
as i walk away

i didnt bend for you
but i wanna to
but things just went to fast
what else is there to do

i know im not the one
you want to hear this from
you heart will hurt 10 times more
in the long run
i think she'll be the best on

ill see you
til your in my dreams tonight
you'll be in my dreams tonight

i know if you stay with me
your making a mistake
you really need someone
that can give you what you need
maybe i am to young
to be messed up in the head
if thats the case
then my last selfish speak will be regrets

i dont know what it is
that makes me feel like this
your heart will hurt more in the end
if you stay

i think she'll be the best on
ill see you
til your in my dreams tonight
you'll be in my dreams tonight

i know im not the one
you want to hear this from

you heart will hurt 10 times more
in the long run
i think she'll be the best on

ill see you
til your in my dreams tonight
you'll be in my dreams tonight

yea yea yea
yea yea
yea yea yea

(im sorry i had the turntable on the wrong end,
wanna try again?)

(turns out they were all seeing the same shock
therapist [applause])
