Dear Stevie,
I just wanted to let you know,
that I've been thinking about ya lately.
And since you've been gone,
I wanna let you know,
that I miss you boy, I miss you boy.
Well it's been 3 weeks since you went away,
it might sound crazy but I count the days.
I miss the little things that we used to do,
and those are the things that I liked about you.
And now you're gone I don't know what to do.
You never knew I had a crush on you.
i miss you boy, I miss you boy

Well I wake up in the morning and get ready for school,
combin' my hair, trying to look cool.
But I looked in the mirror and I said to myself,
why'd you have to leave me all by myself?
I know you didn't know it never said it before,
but I had a crush on the boy next door.
I miss you boy, I miss you boy

(CHORUS)

I had a crush on the boy next door and now hes gone
shoulda told him before but its never too late to be my
friend
maybe someday I'll see you again and I wanna tell you
from my heart
I know what it's like to be apart
I miss you boy (I miss ya boy) I miss you boy (I miss ya
boy!)

Well as time goes on its easy to see,
that you were the one the one for me.
I don't know how to say it you know its true,
cuz all I do is think about you.
Cuz you're on my mind every minute of the day,
and now its time to you hear me say
I miss you boy I miss you boy

Well the summer times coming,

I wanna see you again.
I hope you come back,
and be my best friend.
Now i hope in my heart that this dream'll come true,
cuz without you its like a roomin of you
I want you to know, I never felt this before but I miss
you.
Love, the girl next door
I miss you boy, I miss you boy

(CHORUS X 3)

::ring ring::

'Hey, this is Briana leave a message at the tone!'

Hey Bree this is Stevie.

Sorry I didn't get to say goodbye,

but i hope you get this message,

cuz I miss ya so much

I know you're far away,

but we can still keep in touch

I know you never knew I never said it before

I got a crush on you the girl next door

I miss ya girl...I miss ya girl

(CHORUS TO FADE)
