It's time to Celebrate
It's time to Celebrate tonight

Well it all really started a couple of years ago
My mom said it's time to start to the show
And so we started makin' some noise
And we started a badn to impress the boys
We called it Triple Image and that's the name
Of three girls who wanna be in the Hall of Fame
We're gettin' large it must be fate
It's time for Triple Image gonna Celebrate

(CHORUS)

It's time to Celebrate (Celebrate)
It's time to Celebrate tonight
(Hey get ready to roll)
Come on and Celebrate (Celebrate)
It's time to Celebrate tonight
(Hey let's take control)

We all gotta reason to party tonight
And dance around til the morning light
It won't be long til you know our name
Cuz we're already ahead of the game
So we're keepin' it real with our dreams in sight
With a little help from my man Johnny Wright
He set up a showcase we couldn't wait
W.E.G. let's Celebrate

CHORUS

Celebrate (Celebrate)
It's time to Celebrate tonight
(Hey let's take control)
Celebrate (Celebrate)
It's time to Celebrate tonight
(Hey get ready to roll)

When the party's goin' on everybody's here
Even NSYNC Puffy and Britney Spears
Hangin' with the big boys havin' some fun
We'll be rockin' the house til after one

If you know how to party and you're ready to roll
Just be yourself and you'll gain control
So it's already seven you can't be late
Come with Triple Image and we'll Celebrate

CHORUS x2

Oh yeah oh yeah oh yeah
