Cool it now, ooh, watch out
Cool it now, slow it down

Everybody's saying silly things
Without knowing that life brings a change
And they've been checking all the signs
(Checking all the signs)
My friends say I'm love sick 'cuz I

Ooh, all I keep thinking about is him in my arms
(Got to see what love is about)
And I won't be the same until he is mine
And my friends keep telling me to

Cool it now
(You've got to cool it now)
Ooh, watch out, your gonna lose control
Cool it now, you've got to slow it down
Slow it down, your gonna fall in love

Everyday he walked me home from school
And he tells me how he really feels
And there's no doubt in my mind
That this boy is one of a kind

Ooh, and all I keep thinking about is him in my arms
(Got to see what love is about)
And I won't be the same until he is mine
And my friends keep telling me to

Cool it now
(You've got to cool it now)
Ooh, watch out, your gonna lose control
Cool it now, you've got to slow it down
Slow it down, your gonna fall in love

Ooh, all I keep thinking about is him in my arms
(Got to see what love is about)
And I'll never be the same until he is mine
And my friends keep telling me

When you got a guy who takes his time

You must slow the pace, can't mess with his mind
When he feels the same, he'll let you know
Just prepare yourself and be ready to go

And I hope this message stays in your mind
'Cuz you lost a guy who was right on time
There's one more thing that you got to know
Just cool it now and stay in control

Cool it now, ooh, watch out
(Come on, come on)
Yeah, cool it now, slow it down
Here we go, yeah, yeah, yeah

Cool it now
(You've got to cool it now)
Ooh, watch out, your gonna lose control
Cool it now, you've got to slow it down
Slow it down, you're gonna fall in love

Cool it now
(You've got to cool it now)
Ooh, watch out, your gonna lose control
Cool it now, you've got to slow it down
Slow it down, your gonna fall in love
