(CHORUS)

Hey Now Hey Now  
What's the matter with you?  
Girls just wanna have fun  
Come on...  
X2

Yeah yeah yeah yeah

I come home in the morning light  
My mama says when you gonna live your life right?  
Oh mommy dear we're not the fortunate ones  
And girls just wanna have fun  
Whoa girls just wanna have fun

(CHORUS)

The phone rings in the middle of the night  
My father yells what you gonna do with your life?  
Oh daddy dear you know you're still number one  
But girls they wanna have fun  
Oh girls just wanna have fun

That's all they really want some fun  
When the working day is done you know girls  
They wanna have fun come on

CHORUS

Single mint double mint triple mint gum  
We're just three girls who wanna have some fun  
If you party with us you're gonna be awhile  
You gotta roll like us Triple Image style  
There ain't nothin' gonna stop us or get in our way  
We're gonna be on the top by the end of the day  
Cause we got the look and we got the groove  
Triple Image gonna make you move

Some boys take a beautiful girl and  
Hide her away from the rest of the world  
I wanna be the one to walk in the sun

CHORUS

When the working day is done  
You know girls they wanna have fun  
Come on come on

CHORUS
