There's a boy at lunch who is calling me names
That I like you don't wanna see
There's a girl at home who is talking on the phone with
her boyfriend
There's a man on the bus who is really, really mean
And I don't know why
You'll never see
I hate this boy

Chorus:
Honey bun
I am on the run
You should see
What it's like
To be a girl
Who is stronger
Honey bun
I can run away
Away from you
What about
Me and my friend
Who is stronger

There's a dog in the street who is almost hit by a car
It will get hurt
There's a cat on the bridge who is meowin' all the time
and it couldn't stop
Yeah
There's a boy and a girl who is having fun a party at
their house
You know it now it's time to get this party started

Chorus:
Honey bun
I am on the run
You should see
What it's like
To be a girl
Who is stronger
Honey bun
I can run away

Away from you
What about
Me and my friend
Who is stronger

I have a lot of friends
Not really boyfriends
I have a lot of friends
Who are really cool
YEAAAAH!

Chorus:
Honey bun
I am on the run
Oh, you could see
What it's like
To be a girl
Who is stronger
Honey bun
I can run away
Away from you
What about
Me and my friend
Who is stronger
