Dear Stevie,  
I just wanna let you know,  
That I've been thinking about you lately,  
And since you've been gone,  
I wanna let you know,  
That I miss you boy,  
I miss you boy.  
Well it's been three weeks since you went away.  
It might sound crazy But I count the days.  
I miss the little things that we use to do,  
And those are the things that I like about you.  
And now you're gone don't know what to do.  
You never knew I had a crush on you.  
I miss you boy.  
I miss you boy.  
Well I wake up in the morning getting ready for school,  
Combing my hair and trying to look cool.  
But I looked in the mirror and said to myself,  
Why'd you have to leave me all by myself.  
I know you you didn't know it,  
Never said it before.  
But I had a crush on the boy next door.  
I miss you boy,  
I miss you boy.  
(Chorus)  
I had a crush on the boy next door.  
Now he's gone should have told him before,  
But it's never to late to be my friend.  
Maybe someday I'll see you again,  
And I wanna tell you from my heart,  
I know what it's like to be apart.  
I miss you boy,  
I miss you boy.  
Well as time goes on,  
Boy it's easy to see,  
That you were the one,  
The one for me.  
I don't know how to say it,  
You know it's tru,  
Cause all I do is think about you,  
'Cause your on my mind every minute of the day,  
And now it's time for you to hear me say.

I miss you boy,  
I miss you boy.  
Well the summer time's coming,  
When I see you again.  
I hope you come back and be my bestfriend.  
Now I hope in my heart this dream will come true,  
'Cause without you it's like a room with a view.  
I want you to know I never felt this before,  
But I miss you.  
Love,  
The Girl Next Door.  
I miss you boy,  
I miss you boy.  
(Chorus 3x)  
Hey,  
This is Brianna,  
Leave a message after the tone.  
Hey Bri,  
This is Stevie.  
Sorry didn't get to say goodbye,  
But I hope you get this message,  
'Cause I miss you so much.  
I know you far away,  
But we can still keep in touch.  
I know you never knew it,  
Never said it before I got a crush on you,  
The girl next door.  
I miss you girl,  
I miss you girl.  
(Chorus 2x)
