You can run but you can't hide  
I will be right by your side  
Ohhhh Yeah  
Cause I've been thinking bout you thinking bout you  
It's the way you make me feel  
You can run but you can't hide  
Baby you just can't deny  
That you've been thinking bout me thinking bout me  
There's nothing to conceal

You and I have so much in common  
I think you know baby what I mean  
You're actin like you don't want me  
But that's not the way it seems to be

Cause I can tell that your watching  
I feel the heat when were touching  
Won't let it go I wanna know  
Is it love?

Maybe it's because you're tryin to be cool  
Maybe you're afraid of breaking the rules  
Yeah Yeah Yeah Yeah  
Don't take me for a fool

~Chorus~

You can run but you can't hide  
I will be right by your side  
Cause I've been thinking bout you thinking bout you  
It's the way you make me feel  
You can run but you can't hide  
Baby you just can't deny  
That you've been thinking bout me thinking bout me  
There's nothing to conceal

I see the looks that you give me  
I know just what they mean to me  
The games you play drives me crazy  
Don't fool around with this lady

Boy I will teach you forever  
It's gotta be now or never

So let it show  
I wanna know  
Is it love?

Maybe it's because you're tryin to be cool  
Maybe you're afraid of breaking the rules  
Yeah Yeah Yeah Yeah  
Don't take me for a fool

Chorus

Hey Boy looking at my back door  
Playin me hot and cold  
But you will never let go  
Baby cause I know what it takes  
Know what you need  
Playing the hide and seek  
But baby I'm here for keeps  
The way I'm gonna get ya  
You can be sure I'm gonna let ya  
What the world breaks cause it's a girl thing  
Is it on? Is it not? Is it cold? Is it hot?  
Baby you can run but you just can't hide

Maybe it's because you're tryin to be cool  
Maybe you're afraid of breaking the rules  
Yeah Yeah Yeah Yeah  
Don't take me for a fool

You can run but you can't hide  
I will be right by your side  
The way you make me feel  
You can run but you cant hide  
Baby you just can't deny  
Nothin to conceal

Chorus X3
