You can run but u cant hide
I will be right by your side (OH YEAH)
'cause I've been thinkin bout you thinkin bout you
Its the way you make me feel
You can run but you cant hide
Baby you just cant deny
that you've benn thinkin bout me thinkin bout me
Its nothing to conceal

You and I had so much in common
I think you know baby what I mean
Your acting like you dont want me
But that's no the way you choose to be
'cause i can tell that your watching
I feel the heat when we're touchin
Wont let it go i wanna know is it love

Maybe its because your trying to be cool
Maybe your afraid of breaking the rules
Yeah yeah yeah yeah dont take me for a fool

You can run but u cant hide
I will be right by your side
'cause I've been thinkin bout you thinkin bout you
Its the way you make me feel
You can run but you cant hide
Baby you just cant deny
that you've benn thinkin bout me thinkin bout me
Its nothing to conceal

I see the looks that ya give me
I know just what they mean to me
Those games you play drives me crazy
Dont fool around with this lady
Boy I will chase you forever
Its gotta be now whenever
Show let it show i wanna know is it love??

Maybe its because your trying to be cool
Maybe your afraid of breaking the rules
Yeah yeah yeah yeah dont take me for a fool

You can run but u cant hide
I will be right by your side
'cause I've been thinkin bout you thinkin bout you
Its the way you make me feel
You can run but you cant hide
Baby you just cant deny
that you've benn thinkin bout me thinkin bout me
Its nothing to conceal

RAP:

hey boy lookin at my backdoor
Plating me hot and cold but you will never let go
Baby 'cause i got what it takes got what you need
Playing it hide and seek but baby i'm here for keeps
Boy i'm gonna get you can be dure im gonna let ya
What the world plays 'cause its a girl
Is it on is it not??? Is it cold is it hot??
Baby you run but u just cant hide
You can run but u cant hide
I will be right by your side
'cause I've been thinkin bout you thinkin bout you
Its the way you make me feel
You can run but you cant hide
Baby you just cant deny
that you've benn thinkin bout me thinkin bout me
Its nothing to conceal(3times)
