Wake up to a sunny day  
Not a cloud up in the sky  
Then it starts to rain  
My defenses hit the ground  
And they shatter all around  
So open and exposed  
I found strength in the struggle  
Face to face with my trouble

(Chorus)

When you're broken in a million little pieces  
And you're tryin' but you can't hold on anymore  
Every tear falls down for a reason  
Don't you stop believin' in yourself  
When you're broken

Little girl don't be so blue  
I know what you're goin' through  
Don't let it beat you up  
Hittin' walls and gettin' scars  
Only makes you who you are  
Only makes you who you are  
No matter how much your heart is aching  
There is beauty in the breaking  
Ye-yeah

(Chorus)

When you're broken in a million little pieces  
And you're tryin' but you can't hold on anymore  
Every tear falls down for a reason  
Don't you stop believin' in yourself  
When you're broken

Better days are goin' to find you once again  
Every piece will find its place  
When your broken  
When your broken  
(hum)

(Chorus)

When you're broken in a million little pieces

And you're tryin' but you can't hold on anymore  
Every tear falls down for a reason  
Don't you stop believin' in yourself  
When you're broken

Oh when you're broken  
When you're broken  
When you're broken
